(e) Seller shall not be obligated, in connection with the foregoing, to expend any money unless the necessary funds are advanced, assumed or agreed in advance to be reimbursed by Purchaser, other than reasonable attorney's fees and recording or similar fees, all of which shall be promptly reimbursed by Purchaser. ARTICLE IX

EMPLOYEES AND EMPLOYEE BENEFITS

9.1 Employee Benefits.

identified persons shall

(a) Effective as of the Closing Date, Purchaser shall, or shall cause one of Purchaser's Subsidiaries to, continue to employ (where employment continues or is transferred to Purchaser or a Subsidiary of Purchaser automatically by operation of Law), or offer employment to (where employment does not continue or transfer automatically by operation of Law), each Offeree. For purposes of this Agreement, the term "Offeree" means each active employee employed primarily in connection with the Business at the Closing, other than such employees who are identified by Purchaser to Seller prior to Closing, such ~~names~~ not to include any person who is in the targeted population referred to in Section 10.1(b). Each Offeree who accepts Purchaser's or one of its subsidiaries' offer of employment, together with each person whose employment transfers to Purchaser or a subsidiary of Purchaser automatically by operation of law, shall be referred to herein as a "Transferred Employee." Each Person who is not a Transferred Employee shall be referred to herein as an "Excluded Employee". An Offeree who performs work at his then applicable place of employment on the first Business Day immediately following the Closing shall be deemed for all purposes of this Agreement to have accepted Purchaser's or one of its subsidiaries' offer of employment and shall be deemed to be a Transferred Employee for all purposes of this Agreement.

(b) Without limiting any additional rights that each Transferred Employee may have, Purchaser shall, or shall cause its Subsidiaries, for a period commencing at the Closing and ending on December 31, 2008, to provide to each Transferred Employee whose employment is terminated during such period by the Purchaser by reason of a "reduction in force" or a "job elimination" (as those terms are customarily applied in good faith, consistent with past practice) severance payments and benefits at levels that are no less favorable than such levels as the Transferred Employee would have been entitled to receive pursuant to the provisions of the Seller's severance plans or agreements covering such Transferred Employee as in effect immediately prior to the Closing. Nothing contained in this Section 9.1 or elsewhere in the Agreement shall be construed to prevent, from and after the Closing, the termination of employment of any individual Transferred Employee or any change in the employee benefits available to any Transferred Employee.

(c) On or after the Closing, Purchaser shall, or shall cause its number of Transferred Employees
Subsidiaries to, pay each Transferred Employee an annual bonus ("08 Annual Bonuses"). in respect of the 2008 Fiscal Year that, in the aggregate, are equal in amount to 100 percent of the bonus pool amounts accrued in respect of amounts payable for incentive compensation (but not base salary) and reflected on the financial schedule delivered to Purchaser on September 16, 2008 and initialed by an officer of each of Holdings and Purchaser (the "Accrued 08 FY Liability"). Such 08 Annual Bonuses shall be awarded on or before March 15, 2009 in such forms and proportions as are consistent with Purchaser's customary practices, so that the aggregate amount awarded shall equal the Accrued 08 FY Liability. Any amounts that would have been allocated in respect of any Transferred Employee who voluntarily terminates employment before such award is made shall instead be allocated among the remaining Transferred Employees (who include, for this purpose, those Transferred Employees who are terminated without cause by Purchaser or its affiliates prior to the time the awards are made) (collectively, the "Remaining Transferred Employees"). However, the Accrued 08 FY Liability shall be reduced if, prior to the time such awards are made, both (x) 10% of the Transferred Employees have voluntarily terminated their employment with the Purchaser and (y) such terminated Transferred Employees would have been expected to receive at least 10% of the 08 Annual Bonuses had no such Transferred Employee's employment in fact terminated. In that case, the Purchaser may adjust the Accrued 08 FY Liability proportionately, in a good faith and reasonably equitable manner to account for the Transferred Employees to whom 08 Annual Bonuses will not be payable, and thereby to reduce the aggregate 08 Annual Bonuses. Any such reduction shall take into account the length of service, seniority within the Business and contribution of the Remaining Transferred Employees, relative to the allocation of the Accrued 08 FY Liability, in accordance with the principles enumerated herein.

Successful Bidder(s); and upon the Court's consideration of the Motion and the record of the Sale Hearing held on September 19, 2008 with respect to the Motion, including the testimony and evidence admitted at the Hearing; and after due deliberation thereon, and sufficient cause appearing therefor,

THE COURT HEREBY MAKES THE FOLLOWING FINDINGS:

A. **Jurisdiction and Venue.** This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and the Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409.

B. **Statutory Predicates.** The statutory predicates for the relief sought in the Motion are Bankruptcy Code sections 105(a), 363, and 365, Bankruptcy Rules 2002, 6004, 6006 and 9008 and the applicable Local Rules for the United States Bankruptcy Court for the Southern District of New York (the "Local Rules").

C. **Notice.** As evidenced by the affidavits of service filed with this Court and based upon the representations of counsel at the Sale Hearing and as approved under the Order (I) Approving the Break-Up Fee and Expense Reimbursement, (II) Certain Matters Relating to Competing Bids, If Any, (III) Approving the Form and Manner of Sale Notices and (IV) Setting the Sale Hearing Date in Connection with the Sale of Certain of the Sellers' Assets (the "Break-Up Fee and Competing Bids Order"): (i) in light of the exigent circumstances of these cases and the wasting nature of the Sellers' assets, due, proper, timely, adequate and sufficient notice of the Motion, the Sale Hearing and the transactions set forth in the Purchase Agreement (the "Sale"), including the assumption and assignment of the Contracts and Cure Amounts with respect thereto, has been provided in accordance with Bankruptcy Code sections 105(a), 363 and 365, Bankruptcy Rules 2002, 6004, 6006 and 9008 and the Local Rules; (ii) it appearing that no other

or further notice need be provided; (iii) such notice was and is good, sufficient and appropriate under the circumstances of these chapter 11 cases; (iv) good cause exists to shorten the applicable notice periods in Bankruptcy Rules 2002, 6004, and 6006 and the applicable notice periods in the Local Rules, and (iv) no other or further notice of the Motion, the Sale Hearing or the Sale (including the assumption and assignment of the Contracts), is or shall be required.

D. **Irreparable Harm.** The Debtors' estates will suffer immediate and irreparable harm if the relief requested in the Motion is not granted on an expedited basis consistent with the provisions set forth herein and the Purchase Agreement, particularly given the wasting nature of the Purchased Assets.

E. **LBI.** LBI is the subject of a proceeding under the Securities Investors Protection Act of 1970 ("SIPA") which was filed on September __, 2008. The Purchase Agreement provides for the sale of certain of LBI's assets to the Purchaser. The effectiveness of this Order is conditioned upon the entry of an order in LBI's SIPA proceeding which, to the extent applicable, has the same material terms as this Order is otherwise in form and substance reasonably satisfactory to the Purchaser.

F. **Opportunity to Object.** A reasonable opportunity to object and to be heard with respect to the Motion and the relief requested therein has been given, in light of the exigent circumstances in these cases, to all interested persons and entities, including the following: (i) the Office of the United States Trustee, (ii) counsel for the Purchaser, (iii) counsel for the Official Committee of Unsecured Creditors, (iv) the Company's thirty largest creditors, (iv) Rock-Forty-Ninth LLC, (v) all entities known to have asserted any lien, claim, interest or encumbrance in or upon the Purchased Assets, (vi) all non-Debtor parties to Contracts that will be assumed on the Closing Date (the "Closing Date Contracts"), (vii) the United States

Attorney's office, (viii) the United States Department of Justice, the Securities and Exchange Commission, (ix) the Securities Investor Protection Corporation, (x) the Internal Revenue Service, (xi) all persons, if any, who have filed objections to the Sale Motion; and (xiii) all persons who have filed a notice of appearance in the chapter 11 cases.

G. **Corporate Authority.** The Debtors (i) have full corporate power and authority to execute the Purchase Agreement and all other documents contemplated thereby and the Debtors' sale of the Assets has been duly and validly authorized by all necessary corporate action, (ii) have all of the corporate power and authority necessary to consummate the transactions contemplated by the Purchase Agreement, (iii) have taken all corporate action necessary to authorize and approve the Purchase Agreement and the consummation of the transactions contemplated thereby, and (iv) no consents or approvals, other than those expressly provided for in the Purchase Agreement, are required for the Debtors to consummate such transactions.

H. **Sale in Best Interests.** Good and sufficient reasons for approval of the Purchase Agreement and the Sale have been articulated, and the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors and other parties in interest.

I. **Business Justification.** The Debtors have demonstrated both (i) good, sufficient and sound business purposes and justifications and (ii) compelling circumstances for the Sale other than in the ordinary course of business under Bankruptcy Code section 363(b) before, and outside of, a plan of reorganization in that, among other things, the immediate consummation of the Sale with the Purchaser is necessary and appropriate to maximize the value of the Debtors' estates, particularly given the wasting nature of the Purchased Assets. Entry of an order approving the Purchase Agreement and all the provisions thereof is a necessary

condition precedent to the Purchaser's consummation of the transactions set forth in the Purchase Agreement.

J. **Arm's-Length Sale.** The Purchase Agreement was negotiated, proposed and entered into by the Sellers and the Purchaser without collusion, in good faith and from arm's-length bargaining positions. The Purchaser is not an "insider" of the Debtors, as that term is defined in Bankruptcy Code section 101(31). Neither the Debtors nor the Purchaser have engaged in any conduct that would cause or permit the Purchase Agreement to be avoided under Bankruptcy Code section 363(n). Specifically, the Purchaser has not acted in a collusive manner with any person and the purchase price was not controlled by any agreement among bidders.

K. **Good Faith Purchaser.** The Purchaser is a good faith Purchaser of the Purchased Assets within the meaning of Bankruptcy Code section 363(m) and is, therefore, entitled to all of the protections afforded thereby. The Purchaser has proceeded in good faith in all respects in connection with this proceeding.

L. **Highest and Best Offer.** The Purchase Agreement constitutes the highest and best offer for the Purchased Assets, and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination that the Purchase Agreement constitutes the highest and best offer for the Purchased Assets constitutes a valid and sound exercise of the Debtors' business judgment.

M. **Consideration.** The consideration constitutes reasonably equivalent value or fair consideration, as the case may be (as those terms are defined in each of the Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and section 548 of the Bankruptcy Code), and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession or the District of Columbia. The Purchase

Agreement represents a fair and reasonable offer to purchase the Purchased Assets under the circumstances of these chapter 11 cases. No other person or entity or group of entities, other than the Purchaser, has offered to purchase the Purchased Assets for an amount that would give greater economic value to the Debtors' estates. Approval of the Motion and the Purchase Agreement and the consummation of the transactions contemplated thereby is in the best interests of the Debtors, their creditors and all other parties in interest.

N. **Free and Clear.** The Debtors and LBI are the sole and lawful owners of the Purchased Assets. The transfer of the Purchased Assets to the Purchaser under the Purchase Agreement will be a legal, valid, and effective transfer of the Purchased Assets, and vests or will vest the Purchaser with all right, title, and interest of the Debtors to the Purchased Assets free and clear of all Liens, claims (as defined in section 101(5) of the Bankruptcy Code) (including, without limitation, successor liability claims), encumbrances, obligations, liabilities, contractual commitments, rights of first refusal or interests of any kind or nature whatsoever (collectively, the "Interests"), including, but not limited to, (i) those that purport to give to any party a right or option to effect any forfeiture, modification or termination of the Debtors' interests in the Purchased Assets, or any similar rights or (ii) those relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Debtors' business prior to the Closing Date. For avoidance of doubt, all Interests shall attach to the proceeds ultimately attributable to the property against or in which such Interests are asserted, subject to the terms of such Interests, with the same validity, force and effect, and in the same order of priority, which such Interests now have against the Purchased Assets or their proceeds, subject to any rights, claims and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

Further, the assumption and assignment of any Closing Date Contracts is likewise free and clear of all Interests.

O. **Free and Clear Findings Needed by Purchaser.** The Purchaser asserts that it would not have entered into the Purchase Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their estates and their creditors, if the sale of the Purchased Assets to the Purchaser and the assumption and assignment of the Contracts to the Purchaser was not free and clear of all Interests of any kind or nature whatsoever, or if the Purchaser would, or in the future could, be liable for any of the Interests.

P. **No Liability Findings Needed by Purchaser.** Purchaser asserts that it will not consummate the transactions contemplated by the Purchase Agreement unless the Purchase Agreement specifically provides, and the Bankruptcy Court specifically orders, that none of Purchaser or its affiliates, members or shareholders or the Purchased Assets will have any liability whatsoever with respect to or be required to satisfy in any manner, whether at law or in equity, whether by payment, setoff or otherwise, directly or indirectly, any Interest or Excluded Liability.

Q. **Satisfaction of 363(f) Standards.** The Sellers may sell the Purchased Assets free and clear of any Interests of any kind or nature whatsoever because in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. The person or entity with any Interest in the Purchased Assets: (i) has, subject to the terms and conditions of this Order, consented to the Sale or is deemed to have consented to the Sale; (ii) could be compelled in a legal or equitable proceeding to accept money satisfaction of such Interest; or (iii) otherwise falls within the provisions of section 363(f) of the Bankruptcy Code. Those holders of Interests who did not object to the Motion are deemed, subject to the

terms of this Order, to have consented pursuant to Bankruptcy Code section 363(f)(2). All holders of Interests are adequately protected by having their Interests attach to the proceeds ultimately attributable to the Purchased Assets against or in which such Interests are asserted, subject to the terms of such Interests, with the same validity, force and effect, and in the same order of priority, which such Interests now have against the Purchased Assets or their proceeds, subject to any rights, claims and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

R. **No Fraudulent Transfer.** The Purchase Agreement was not entered into for the purpose of hindering, delaying or defrauding creditors under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia. Neither Debtors nor Purchaser is entering into the transactions contemplated by the Purchase Agreement fraudulently.

S. **No Successor Liability.** Except for the Assumed Liabilities, the transfer of the Purchased Assets to the Purchaser under the Purchase Agreement shall not result in (i) the Purchaser having any liability or responsibility for any claim against the Debtors or against an insider of the Debtors, or (ii) the Purchaser having any liability or responsibility to the Debtors except as is expressly set forth in the Purchase Agreement. Without limiting the effect or scope of the foregoing, to the fullest extent permitted by law, the transfer of the Purchased Assets from the Debtors to the Purchaser does not and will not subject the Purchaser or its affiliates, successors or assigns or their respective properties (including the Purchased Assets) to any liability for claims (as that term is defined in section 101(5) of the Bankruptcy Code) against the Debtors or the Debtors' interests in such Purchased Assets by reason of such transfer under the

laws of the United States or any state, territory or possession thereof applicable to such transactions, including, without limitation, any successor liability.

T. **Cure/Adequate Assurance**. The assumption and assignment of the Contracts pursuant to the terms of this Order is integral to the Purchase Agreement and is in the best interests of the Debtors and their estates, creditors and all other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtors. The Debtors have: (i) to the extent necessary, cured or provided adequate assurance of cure, of any default existing prior to the date hereof with respect to the Closing Date Contracts, within the meaning of 11 U.S.C. §§ 365(b)(1)(A) and 365(f)(2)(A), and (ii) to the extent necessary, provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof with respect to the Closing Date Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B) and 365(f)(2)(A). The Purchaser's promise to perform the obligations under the Closing Date Contracts after the Closing Date shall constitute adequate assurance of future performance within the meaning of 11 U.S.C. §§ 365(b)(1)(C) and 365(f)(2)(B). Any objections to either the Cure Amount (as defined below) or the assumption and assignment of any of the Closing Date Contracts to the Purchaser are hereby overruled. Any counterparties to Closing Date Contracts that did not object to the Cure Amount (as defined below) of their respective Closing Date Contracts or the assumption and assignment of their respective Closing Date Contracts to the Purchaser are deemed to have consented to such Cure Amounts and the assignments of their respective Closing Date Contracts to the Purchaser. The procedures with respect to assumption, assignment and cure of the Contracts that are the subject of the Purchaser's designation rights (the "Designated Contracts")

will be set forth in one or more separate orders of the Court which will be entered at a later date or dates.

U. **Prompt Consummation.** The Sale must be approved and consummated promptly in order to preserve the viability of the business subject to the sale as going concerns, to maximize the value of the Debtors' estates. Time is of the essence in consummating the Sale.

V. **Personally Identifiable Information.** The Sale may include the transfer of Personally Identifiable Information, as defined in Bankruptcy Code section 101(41A). No Consumer Privacy Ombudsman need be appointed under Code section 363(b)(1) because Purchaser has agreed to adhere to any privacy policies applicable to the Debtors.

NOW, THEREFORE, IT IS ORDERED THAT:

1. **Motion is Granted.** The Motion and the relief requested therein is GRANTED and APPROVED, as set forth herein.

2. **Objections Overruled.** Any objections to the entry of this Order or the relief granted herein and requested in the Motion that have not been withdrawn, waived, or settled, or not otherwise resolved pursuant to the terms hereof, if any, hereby are denied and overruled on the merits with prejudice.

3. **Approval.** The Purchase Agreement and all of the terms and conditions thereto are hereby approved. The Debtors are hereby authorized and directed to (1) execute the Purchase Agreement, along with any additional instruments or documents that may be reasonably necessary or appropriate to implement the Purchase Agreement, provided that such additional documents do not materially change its terms; (2) consummate the Sale in accordance with the terms and conditions of the Purchase Agreement and the other agreements contemplated

thereby; and (3) take all other and further actions as may be reasonably necessary to implement the transactions contemplated by the Purchase Agreement.

4. **Free and Clear.** Except as expressly provided for in the Purchase Agreement or this Order, pursuant to Bankruptcy Code sections 105(a) and 363(f), the Debtors are authorized and directed to transfer the Purchased Assets to the Purchaser and, as of the Closing Date, the Purchaser shall take title to and possession of the Purchased Assets free and clear of all Interests of any kind or nature whatsoever, including but not limited to the Liens and Excluded Liabilities, with all such Interests to attach to the proceeds ultimately attributable to the property against or in which such Interests are asserted, subject to the terms of such Interests, with the same validity, force and effect, and in the same order of priority, which such Interests now have against the Purchased Assets or their proceeds, subject to any rights, claims and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

5. **Valid Transfer.** As of the Closing Date, (a) the transactions contemplated by the Purchase Agreement effect a legal, valid, enforceable and effective sale and transfer of the Purchased Assets to Purchaser, and shall vest Purchaser with title to such Purchased Assets free and clear of all Interests and Excluded Liabilities and (b) the Purchase Agreement and the transactions and instruments contemplated hereby shall be specifically performable and enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors or any successor chapter 11 or chapter 7 trustee appointed with respect thereto.

6. **General Assignment.** On the Closing Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance and transfer of the Sellers' interests in the Purchased Assets. Each and every federal, state, and local governmental agency or department is hereby directed to accept any and all documents and

instruments necessary and appropriate to consummate the transactions contemplated by the Purchase Agreement.

7. **Injunction.** Except as expressly permitted by the Purchase Agreement or by this Sale Order, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade creditors, litigation claimants and other creditors, holding Interests or Claims of any kind or nature whatsoever against or in the Debtors or the Debtors' interests in the Purchased Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non contingent, liquidated or unliquidated, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Debtors, the Purchased Assets, the operation of the Debtors' businesses before the Closing Date or the transfer of the Debtors' interests in the Purchased Assets to the Purchaser, shall be and hereby are forever barred, estopped and permanently enjoined from asserting, prosecuting or otherwise pursuing against the Purchaser, its property, its successors and assigns, its affiliates or the interests of the Debtors in such Purchased Assets, such persons' or entities' Interests or Claims. Following the Closing Date, no holder of an Interest in or Claim against the Debtors shall interfere with Purchaser's title to or use and enjoyment of the Debtors' interests in the Purchased Assets based on or related to such Interests or Claims, and all such Claims and Interests, if any, shall be, and hereby are transferred and attached to the Debtors' interests in the Sale proceeds as provided in this Sale Order in the order of their priority, with the same validity, force and effect which they have against such Purchased Assets as of the Closing Date, subject to any rights, claims and defenses that the Debtors' estates and Debtors, as applicable, may possess with respect thereto.

8. **Release of Interests.** This Order (a) shall be effective as a determination that, on the Closing Date, all Interests of any kind or nature whatsoever existing as to the Debtors or the Purchased Assets prior to the Closing Date have been unconditionally released, discharged and terminated, and that the conveyances described herein have been effected, and (b) shall be binding upon and shall govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Purchased Assets.

9. **Direction to Release Interests.** On the Closing Date, each of the Debtors' creditors is authorized and directed to execute such documents and take all other actions as may be reasonably necessary to release its Interests in the Purchased Assets, if any, as such Interests may have been recorded or may otherwise exist.

10. **No Successor Liability.** Neither Purchaser nor its affiliates, successors or assigns shall, as a result of the consummation of the transaction contemplated by the Purchase Agreement, (a) be a successor to the Debtors or their estates; (b) have, de facto or otherwise, merged or consolidated with or into the Debtors or their estates; or (c) be a continuation or substantial continuation of the Debtors or any enterprise of the Debtors. Except for the Assumed Liabilities, the transfer of the Purchased Assets to Purchaser under the Purchase Agreement shall not result in (i) Purchaser, its affiliates, members, or shareholders, or the Purchased Assets, having any liability or responsibility for any claim against the Debtors or against an insider of the

Debtors, (ii) Purchaser, its affiliates, members, or shareholders, or the Purchased Assets, having any liability whatsoever with respect to or be required to satisfy in any manner, whether at law or in equity, whether by payment, setoff or otherwise, directly or indirectly, any Interest or Excluded Liability, or (iii) Purchaser, its affiliates, members, or shareholders, or the Purchased Assets, having any liability or responsibility to the Debtors except as is expressly set forth in the Purchase Agreement.

11. **Examples of No Successor Liability.** Without limiting the effect or scope of the foregoing, as a result of the closing of the transactions contemplated by the Purchase Agreement, the Purchaser shall have no successor or vicarious liabilities of any kind or character, including, but not limited to, any theory of antitrust, environmental, successor or transferee liability, labor law, de facto merger or substantial continuity, whether known or unknown as of the Closing Date, now existing or hereafter arising, whether asserted or unasserted, fixed or contingent, liquidated or unliquidated with respect to the Debtors or any obligations of the Debtors arising prior to the Closing Date, including, but not limited to, liabilities on account of any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of the Purchased Assets prior to the Closing Date.

12. **Assumption and Assignment of Contracts.** In accordance with Bankruptcy Code sections 363, 365 and 105(a), and subject to the terms of the Purchase Agreement and this Sale Order, the Sellers are hereby authorized to assume and assign the Closing Date Contracts, including customer account agreements, to which they are a party to the Purchaser.

13. The Sellers shall provided notice, together with the Notice of Assumption and Assignment of, and Amounts Necessary to Cure Defaults under, Contracts and Leases

Proposed to be Assumed and Assigned to the Purchaser on September 17, 2008 (an “Assumption Notice”) to the counterparty to a Closing Date Contract which the Debtors seek to assume and assign, which included the prepetition cure amount, if any (the “Cure Amount”), asserted by the Sellers with respect to such Closing Date Contract, and the effective date of such assumption and assignment (the “Assignment Effective Date”). The counterparty to such Closing Date Closing Date Contract had until the date of the Sale Hearing to object to the assumption and assignment of the Closing Date Contract. All counterparties to Closing Date Closing Date Contracts that have not filed an objection by the date of the Sale Hearing are deemed to consent to (i) the Cure Amount, if any, and (ii) the assumption and assignment of the Closing Date Contract, and the Closing Date Contract shall be assumed and assigned as of the Assignment Effective Date. Any objections to either the Cure Amount or the assumption and assignment of any of the Closing Date Contracts to the Purchaser are hereby overruled. The Purchaser shall pay any Cure Amount due on, or as soon as practicable, after the Assignment Effective Date.

14. **Bankruptcy Code Sections 365(b)(1) and 365(f)(2).** The requirements of sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code are hereby deemed satisfied with respect to the Closing Date Contracts.

15. **Binding Effect of Order.** This Order shall be binding upon and shall govern the acts of all entities, including without limitation all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents

or instruments, or who may be required to report or insure any title or state of title in or to any of the Purchased Assets.

16. **IpsO Facto Clauses Ineffective.** Upon the Debtors' assignment of the Contracts to the Purchaser under the provisions of this Sale Order and any additional order contemplated by the Purchase Agreement, no default shall exist under any Closing Date Contract, and no counterparty to any Closing Date Contract shall be permitted to declare a default by the Purchaser under such Closing Date Contract or otherwise take action against the Purchaser as a result of any Debtors' financial condition, bankruptcy or failure to perform any of its obligations under the relevant Closing Date Contract.

17. **Binding on Successors.** The terms and provisions of the Purchase Agreement and this Order shall be binding in all respects upon the Debtors, their estates, all creditors of (whether known or unknown) and holders of equity interests in, either Debtor, Purchaser and its respective affiliates, successors and assigns, and any affected third parties, notwithstanding any subsequent appointment of any trustee of the Debtors under any chapter of the Bankruptcy Code, as to which trustee(s) such terms and provisions likewise shall be binding. This Order and the Purchase Agreement shall inure to the benefit of the Debtors, their estates, their creditors, the Purchaser and the respective successors and assigns of each of the foregoing.

18. **Bankruptcy Code Section 363(n).** The consideration provided by Purchaser for the Purchased Assets under the Purchase Agreement is fair and reasonable and may not be avoided under Bankruptcy Code section 363(n).

19. **Good Faith.** The transactions contemplated by the Purchase Agreement are undertaken by Purchaser without collusion and in good faith, as that term is used in Bankruptcy Code section 363(m) and, accordingly, the reversal or modification on appeal of the

authorization provided herein to consummate the Sale shall not affect the validity of the Sale (including the assumption and assignment of the Closing Date Contracts) with Purchaser, unless such authorization is duly stayed pending such appeal prior to the Closing Date. Purchaser is a good faith Purchaser of the Purchased Assets, and is entitled to all of the benefits and protections afforded by Bankruptcy Code section 363(m).

20. **Fair Consideration.** The consideration provided by the Purchaser to the Debtors and LBI pursuant to the Purchase Agreement for its purchase of the Purchased Assets constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act and under the laws of the United States, any state, territory, possession or the District of Columbia.

21. **Retention of Jurisdiction.** This Court retains jurisdiction, pursuant to its statutory powers under 28 U.S.C. § 157(b)(2), to, among other things, interpret, implement, and enforce the terms and provisions of this Order, all amendments thereto and any waivers and consents thereunder, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Purchased Assets to Purchaser; (b) interpret, implement and enforce the provisions of this Order; (c) protect Purchaser against any Interests in or Claims against the Sellers or the Purchased Assets of any kind or nature whatsoever, attaching to the proceeds of the Sale, and (d) enter any orders under section 363 and 365 of the Bankruptcy Code with respect to the Designated Contracts.

22. **Surrender of Possession.** All entities that are currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets in which the Sellers hold an interest hereby are directed to surrender possession of the Purchased Assets either to (i) the Debtors or LBI before the Closing Date, or (ii) to Purchaser on the Closing Date.

23. **Fees and Expenses.** Any amounts payable by the Debtors under the Purchase Agreement or any of the documents delivered by the Debtors in connection with the Purchase Agreement, including, but not limited to the Breakup Fee or Expense Reimbursement, shall be paid in the manner provided in the Purchase Agreement and the Break-Up Fee and Competing Bid Order, entered on September ____, 2008, without further order of this Court, shall be an allowed administrative claim in an amount equal to such payments in accordance with sections 503(b) and 507(a)(2) of the Bankruptcy Code, shall have the other protections provided in the Break-Up Fee and Competing Bid Order, and shall not be discharged, modified or otherwise affected by any reorganization plan for the Debtors, except by an express agreement with Purchaser, its successors, or assigns.

24. **Sale Proceeds.** Any and all valid and perfected Interests in Purchased Assets of the Debtors shall attach to any proceeds of such Purchased Assets immediately upon receipt of such proceeds by the Debtors (or any party acting on any Debtor's behalf) in the order of priority, and with the same validity, force and effect which they now have against such Purchased Assets, subject to any rights, claims and defenses the Debtors, their estates or any trustee for any Debtor, as applicable, may possess with respect thereto, and, in addition to any limitations on the use of such proceeds pursuant to any provision of this Order, except as required by this Order or the Purchase Agreement, no proceeds subject to an asserted Interest shall be used or disbursed by the Debtors without the express consent of the party or parties asserting an Interest therein or further order of the Court after notice (to all parties who have asserted an Interest in such proceeds) and a hearing, consistent with the requirements of the Bankruptcy Code.

25. **Non-material Modifications.** The Purchase Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto, in a writing signed by such parties, and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates.

26. **Subsequent Plan Provisions.** Nothing contained in any chapter 11 plan confirmed in any Debtor's bankruptcy case or any order confirming any such plan or in any other order in these chapter 11 cases (including any order entered after any conversion of a chapter 11 case of any of the Debtors to a case under chapter 7 of the Bankruptcy Code) shall alter, conflict with, or derogate from, the provisions of the Purchase Agreement or this Order.

27. **Failure to Specify Provisions.** The failure specifically to include any particular provisions of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that the Purchase Agreement be authorized and approved in its entirety; provided, however, that this Order shall govern if there is any inconsistency between the Purchase Agreement (including all ancillary documents executed in connection therewith) and this Order. Likewise, all of the provisions of this Order are nonseverable and mutually dependent.

28. **No Stay of Order.** Notwithstanding the provisions of Interim Bankruptcy Rule 6004 and Bankruptcy Rule 6006 or any applicable provisions of the Local Rules, this Order shall not be stayed for ten (10) days after the entry hereof, but shall be effective and enforceable immediately upon entry. Time is of the essence in closing the transactions referenced herein, and the Debtors and the Purchaser intend to close the Sale as soon as practicable. Any party

objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay, or risk
its appeal being foreclosed as moot.

HONORABLE JAMES M. PECK
UNITED STATES BANKRUPTCY JUDGE
